

Tucows Registration Agreement

last revised 04 August, 2021

THIS REGISTRATION AGREEMENT ("Agreement"), is between Tucows Domains Inc. ("Tucows") and you, on behalf of yourself or the entity you represent ("Registrant"), as offered through Marsden Cloud Ltd, the Reseller participating in Tucows' distribution channel for domain name registrations. Any reference to "Registry" or "Registry Operator" shall refer to the registry administrator of the applicable top-level domain ("TLD"). This Agreement explains Tucows' obligations to Registrant, and Registrant's obligations to Tucows, for the domain registration services. By agreeing to the terms and conditions set forth in this Agreement, Registrant agrees to be bound by the rules and regulations set forth in this Agreement, and by a registry for that particular TLD.

1. DOMAIN NAME REGISTRATION

Domain name registrations are for a limited term, which ends on the expiration date communicated to the Registrant. A domain name submitted through Tucows will be deemed active when the relevant registry accepts the Registrant's application and activates Registrant's domain name registration or renewal. Tucows cannot guarantee that Registrant will obtain a desired domain name, even if an inquiry indicates that a domain name is available at the time of application. Tucows is not responsible for any inaccuracies or errors in the domain name registration or renewal process.

2. FEES

Registrant agrees to pay Reseller the applicable service fees prior to the registration or renewal of a domain. All fees payable here under are non-refundable even if Registrant's domain name registration is suspended, cancelled or transferred prior to the end of your current registration term.

3. TERM

This Agreement will remain in effect during the term of the domain name registration as selected, recorded and paid for at the time of registration or renewal. Should the domain name be transferred to another registrar, the terms and conditions of this Agreement shall cease.

4. EXPIRATION, RENEWAL AND FORFEITURE

The registered domain name will expire on the expiration date specified in the registration term, and as communicated to the Registrant. Registrant will receive reminders immediately prior to the expiration inviting Registrant to renew the domain name. In the event that Registrant fails to renew the domain name in a timely fashion, the registration will expire and Tucows may, at its discretion, elect to assume the registration and may hold it in its own account, delete it, or sell it to a third party. During the period following the expiration of a domain name, the domain name will cease to resolve, the Whois registration records may be revised to include that of Tucows or its reseller, and visitors to Registrant's website may be directed to a default web page. This default web page may feature advertisements posted by Tucows for its own account. Registrant acknowledges and agrees that Registrant's right and interest in a domain name ceases upon its expiration. Registrant is solely responsible for informing itself of the date of expiration and renewing its registration in a timely manner. If Tucows, in its sole discretion, elects to renew the registration, Registrant will be entitled to a grace period of forty (40) days during which Registrant may re-register the domain name. Additional costs for the redemption and re-registration will apply.

5. EXPIRED REGISTRATION RECOVERY POLICY

Domain expiration notices will be sent via email thirty (30) days and five (5) days prior to a domain expiration date and three (3) days after a domain expires. Renewal fees are published at <https://www.marsdencloud.com>. Redemptions fees are £200 + VAT for nTLD and gTLD domains and £100 + VAT to redeem a .eu domain from quarantine.

6. REGISTRANT INFORMATION AND DATA SHARING

Data required for the registration of a domain name varies by top-level domain. The required data for a domain name registration (“Minimum Data”) will be presented at the time of registration or renewal and may include up to:

1. Name and postal address of the Registered Name Holder;
2. Registered name;
3. Names of the primary nameserver and secondary nameserver(s) for the Registered Name;
4. Name, postal address, e-mail address, and voice and fax (if available) telephone numbers of the administrative contact for the domain name;
5. Name, postal address, e-mail address, and voice and fax (if available) telephone numbers of the billing contact for the domain name; and
6. Name, postal address, e-mail address, and voice and fax (if available) telephone numbers of the technical contact for the domain name.

The Minimum Data will be shared with Tucows and may be shared with the relevant authoritative registry services provider for your top-level domain. The identity of the authoritative registry services provider can be found at <https://www.iana.org/whois>. The Minimum Data for domains in any TLD you have registered can be found in the Data Use Information Page.

7. ACCURATE INFORMATION

Registrant represents and warrants that:

1. The statements that Registrant makes in connection with the domain name registration, maintenance, or renewal are complete and accurate;
2. Registrant information will be kept current;
3. Registrant will not and will not permit others to use the domain name in violation of any ICANN or registry policies, applicable laws or regulations, or legal rights of others;
4. Registrant will respond to inquiries from Tucows addressed to the email address of the Registrant, the administrative, billing or technical contact with respect to a domain name concerning the accuracy of contact details.

Registrant acknowledges that a breach of this Section 8 will constitute a material breach of the Agreement, which will entitle either Tucows or a registry to terminate this Agreement immediately upon such breach without any refund and without notice to Registrant.

8. ACCOUNT REVIEW, DATA MODIFICATION OR DELETION

To access, view, update, delete or download data associated with your domain name registration, you must be signed into your account. If you make a request to delete your personal data and that data is necessary for the products or services you have purchased, the request will be honored only to the extent it is no longer necessary for any services purchased or required for our legitimate business purposes or legal or contractual record keeping requirements. In some cases, when data is necessary for the provisioning of service, deletion of data may cancel or suspend the services you have purchased. If you have difficulty accessing your data, modifying it, or deleting it, you may request assistance by sending email to DPO@Tucows.com or using the contact information at <https://opensrs.com/privacy-policy/>.

9. ICANN REQUIRED DISCLOSURES

Domain name registration requires sharing the Registrant's information, in whole or in part, with the applicable Registry Operator and with ICANN. Both Tucows and the Registry Operator may be required to archive this information with a third-party escrow service. Further, Registrant represents and warrants that, if Registrant is providing information about a third party, Registrant has notified the third party of the required disclosures and the purpose for the disclosures and Registrant has obtained the third party's consent to such disclosure. ICANN may establish or modify the guidelines, limits or requirements that relate to the amount and type of information that Tucows may or must make available to the public or to private entities, and the manner in which such information is made available.

10. SUSPENSION AND CANCELLATION

Tucows may in its sole discretion, suspend or cancel Registrant's domain name registration:

1. if Registrant breaches this Agreement;
2. if Registrant fails to provide payment or accurate contact or billing information;
3. in the event there was an error in the registration process for such domain name;
4. as required by ICANN or a Registry Operator;
5. to protect the integrity and stability of Tucows and any applicable registry;
6. to comply with any applicable laws, government rules, requests of law enforcement and court orders;
7. in compliance with any dispute resolution process, or
8. to avoid any liability, civil or criminal

11. DISPUTE RESOLUTION

Registrant is bound by all ICANN consensus policies and all policies of any relevant Registry Operator, including the Uniform Rapid Suspension Procedure, the Uniform Domain Name Dispute Resolution policy (UDRP), along with the UDRP rules and all supplemental rules of any UDRP provider. ICANN may change the UDRP at any time. If a third party challenges the registration or reservation of the Registrant's domain name, Registrant will be subject to the provisions specified in the dispute policy adopted by the applicable registry. In the event a domain name dispute arises, Registrant will indemnify and hold Tucows harmless pursuant to the terms and conditions contained in the applicable policy. If Tucows is notified that a complaint has been filed with a judicial or administrative body regarding a domain name, Tucows may, at its

sole discretion, suspend use of the domain name and the ability to make modifications to the registration records until:

1. Tucows is directed to do so by the judicial or administrative body, or
2. Tucows receives notification from both parties that the dispute has been settled.

If Registrant or Registrant's domain name becomes the subject of litigation, Tucows may deposit control of Registrant's domain name record into the registry of the judicial body by supplying a party with a registrar certificate.

12. POLICY

Registrant agrees that its registration of the domain name shall be subject to suspension, cancellation, or transfer pursuant to a Tucows, registry, ICANN or government-adopted policy, or pursuant to any registrar or registry procedure not inconsistent with a Tucows, registry, ICANN or government-adopted policy,

1. to correct mistakes by Tucows or a registry in registering the name or
2. for the resolution of disputes concerning the domain name.

13. TRADEMARK CLEARINGHOUSE (TMCH)

Registrant agrees to abide by the terms and conditions set forth by Tucows and the Trademark Clearinghouse Agreement available at https://opensrs.com/wp-content/uploads/Master_Domain_Registration_Agreement.pdf.

14. NO GUARANTEE

Registrant acknowledges that registration of a chosen domain name does not confer immunity from objection to the registration, reservation or use of the domain name.

15. AGENCY

If Registrant intends to license use of a domain name to a third party, Registrant is deemed the domain name holder of record and is responsible for providing Registrant's own full contact information adequate to facilitate timely resolution of any problems that arise in connection with the domain name. Registrant shall accept liability for harm caused by wrongful use of the domain name, unless it promptly discloses the licensee's identity and current contact information (as provided by the licensee) to a party providing the Registered Name Holder reasonable evidence of actionable harm. Registrant represents that it will secure the agreement of any third party to the terms and conditions in this Agreement.

16. MODIFICATIONS TO AGREEMENT

Tucows may modify this Agreement, or any other related and/or applicable agreement, as is necessary to comply with its agreements with ICANN, a registry or any other entity or individual, as well as to adjust to changing circumstances. All amendments to this Agreement will be posted on our website at https://www.opensrs.com/wp-content/uploads/Tucows_ExhibitA.html. Your continued use of the registered domain name will constitute your acceptance of this Agreement with any revisions. If you do not agree to any change, you may request that your domain name be cancelled or transferred to a different accredited registrar, and agree that such cancellation or transfer will be your exclusive remedy if you do not wish to abide by any change to this Agreement, or any other related and/or applicable agreement.

17. ANNOUNCEMENTS

Tucows reserves the right to distribute information to Registrant that is required by ICANN or Registry policy.

18. LIMITATION OF LIABILITY

Registrant agrees that Tucows' entire liability, and Registrant's exclusive remedy, with respect to the domain registration service provided under this Agreement and any breach of this Agreement is solely limited to the amount Registrant paid for the initial registration of the domain name. Tucows, ICANN and the applicable registries shall not be liable for any lost profits, revenues, or data, financial losses or indirect, special, consequential, exemplary, or punitive damages. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, in such states, liability is limited to the extent permitted by law.

19. INDEMNITY

Registrant will defend, indemnify, and hold harmless Tucows, ICANN, the applicable registries, and their respective directors, officers, employees, agents, affiliates, and contractors, from all liabilities, claims and expenses, including attorney's fees, arising out of or relating to

1. Registrant's registration and use of the domain name registered;

3. Registrant's violation of any third party right, including Intellectual Property Rights. This indemnification obligation will survive the termination or expiration of this Agreement.

20. TRANSFER OF OWNERSHIP

The person named as Registrant on record with Tucows shall be the "Registered Name Holder." If designated, the person named as administrative contact at the time the controlling account was secured shall be deemed the designate of the Registrant with the authority to manage the domain name. Registrant agrees that prior to transferring ownership of the domain name to another person (the "Transferee") Registrant shall require the Transferee to agree, in writing to be bound by all the terms and conditions of this Agreement. If the Transferee fails to be bound in a reasonable fashion (as determine by Tucows in its sole discretion) to the terms and conditions in this Agreement, any such transfer will be null and void. Registrant explicitly authorizes Tucows to act as their Designated Agent, as stipulated by the ICANN Transfer Policy, to approve a Change of Registrant on their behalf. 21. BREACH

Registrant agrees that failure to abide by any provision of this Agreement, any ICANN, Registry, URDP or Dispute operating rule or policy, may be considered by Tucows to be a material breach, and that Tucows may provide written notice, describing the breach, to Registrant. If within fifteen (15) calendar days of the date of such notice, Registrant fails to provide evidence, which is reasonably satisfactory to Tucows, that Registrant has not breached its obligations under the Agreement, then Tucows may delete the registration the domain name. Any such breach by Registrant shall not be deemed to be excused simply because Tucows did not act earlier in response to that, or any other, breach by Registrant.

22. DISCLAIMER OF WARRANTIES

Except for the express warranties in this Agreement, Tucows does not make any other warranty of any kind, whether express, implied, statutory or otherwise, including warranties or merchantability, fitness for a particular purpose, and non-infringement. Tucows is not responsible or liable for the deletion or of failure to store any content and other communications maintained or transmitted through the use of the domain name registration service. 24. NON-WAIVER

Tucows failure to require performance by Registrant of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by Tucows of a breach of any provision hereof be taken or held to be a waiver of the provision itself.
